## OUT OF SCHOOL CARE AND RECREATION

### Selwyn Kids

OSCAR - out of school care and recreation - is a term that has been widely adopted in New Zealand to describe services that provide regular care for school age children (5 - 13 year olds) outside school hours; that is, after school and during the school holidays and Selwyn Kids Limited is pleased to be able to offer such services.

OSCAR programmes are more than child-minding services. They are opportunities to provide leisure

and recreation activities that not only enrich the child but also enrich family life and enhance learning.

Selwyn Kid's central location within Rolleston means that it is easily accessible for the two local primary schools - Rolleston School and Clearview School.

The OSCAR service comprises Discovery OSCAR (5 - 8yrs) & Explorer OSCAR (8 - 13 yrs).

Discovery	Explorer	Discovery	Explorer
